If you are admitted to a hospital for in-patient care, for a minimum period of 24 consecutive hours, we cover for your treatment expenses - right from room charges, nursing expenses and intensive care unit charges to surgeon's fee, doctor's fee, anaesthesia, blood, oxygen, operation theatre charges, etc.

DAY CARE TREATMENT (HOSPITALISATION LESS THAN 24 HOURS)

We also pay for your medical expenses if you undergo any of the specified day care treatments at a hospital or a Day Care Centre - we cover more than 170 day care treatments.

PRE-HOSPITALISATION

Examination, tests and medication - Sometimes the procedures that finally lead you to hospital, such as investigative tests and medication, can be quite financially draining. We cover the medical expenses incurred by you before your hospitalisation as well.

*Tax Benefits under the policy will be as per the prevailing Income Tax laws and are subject to amendments from time to time. For tax related queries, contact your independent tax advisor.

POST-HOSPITALISATION

Back home and till you are back on your feet - The expenses don't end once you are discharged. There are bound to be follow-up visits to your medical practitioner, medication that is required and sometimes even further confirmatory tests. We also cover the medical expenses incurred by you after your hospitalisation and is valid till 30 consecutive days beyond the Policy End Date.

AMBULANCE COVER

Getting to the hospital - It is our utmost concern that you get the medical attention you require as soon as possible in an emergency. We will reimburse you for expenses that you incur on an ambulance service offered by the hospital or any ambulance service provider, in an emergency situation.

DOMICILIARY HOSPITALISATION

Despite suffering from an illness/disease/injury (which would normally require care and treatment at a hospital), hospitalisation may not be possible - perhaps your state of health is such that you are in no condition to be moved to a hospital, or a room may not be available. Don't worry, we understand that and are happy to let you know that under 'Domiciliary Hospitalisation', we will reimburse the medical expenses incurred by you during your treatment at home, as long as it involves medical treatment for a period exceeding 3 consecutive days and had actually merited hospitalisation.

CONSUMABLE ALLOWANCE

It all adds up! A trip to a hospital involves more than just using the doctor's services and hospital facilities. You are bound to incur numerous 'non-medical' expenses such as consumables, transportation, attendant's cost and other daily expenses that you may not be able to even foresee. To meet these expenses, we pay 'Consumable Allowance' - Max. 7 days per Hospitalization covered after 3 days.

RECHARGE OF SUM INSURED

A refill is always welcome! Get automatic recharge of base Sum Insured if claim amount exhausts your coverage limit. The recharged Sum Insured can be used by other insured members under the same policy for any future claim. The claimant can also use the recharged Sum Insured for any future claim, not related to the ailment already claimed during the same year.

HEALTH CHECK-UP

Under this plan, you get Annual health check-up for all insured members, covered as adults, regardless of claims history. This includes Complete Blood Count with ESR, Urine routine, Blood Group, Fasting Blood Sugar, Lipid Profile, Kidney Function Test, ECG.

LONGER POLICY TERM

To make the process of renewing your health insurance more convenient, choose a policy with a term of one, two or three years. What's more! Avail a discount on your premium if you opt for a 2-year policy term or a 3-year policy term.

TAX BENEFIT

Opting for health insurance is certainly a step in the right direction, and it comes with a two-fold benefit. Not only does it ensure that you and your family can access good medical care at all times, it also enables you to avail a tax benefit on the premiums you pay towards your health insurance, as per prevailing tax laws of the Income Tax Act, 1961. (Tax Benefits under the policy will be as per the prevailing Income Tax laws and are subject to amendments from time to time. For tax related queries, contact your independent tax advisor.)
