enhancē™ - Get enhanced coverage for greater protection!

Think Health Insurance and a hundred questions pop up in your mind. First among them being, how much insurance cover do I need? While some feel capable enough to self-finance their healthcare treatment if and when need arises; others feel satisfied with their existing insurance cover.

enhance[™] - From the worry-free world of CHI.

enhance[™] works on the simple principle of *Policy Deductible*, which is the pre-defined amount that you will bear, through your own finances or any other insurance, during a medical event. Any amount over and above policy deductible will be borne by us.

Simply put, if you opt for a ₹ 6 lac Sum Insured with deductible of ₹ 2 lac, then 2 lac will be borne by you and 6 lac over and above the deductible of 2 lac will be borne by us during the policy period.

The table below will help you understand better.

	Scenario 1	Scenario 2	Scenario 3
